### Re-Brokering of Willow Academy – Message from the Headteacher

To Parents and Carers,

On Friday 8<sup>th</sup> September the WCAT Board announced that all 21 Academies will be re-brokered to other trusts as they cannot offer the support required to the academies.

I want to take the opportunity to assure you that the changes being made to our sponsor will enable us to build upon the significant improvements we have already made at Willow.

Once the decision about our new sponsor has been agreed, I look forward to working with them to ensure the transition is as smooth as possible.

I will keep you all informed about the developments when I am in a position to do so. I look forward to continuing to lead Willow in the future and providing an even better experience for your children; I am as committed to the children's education as you are and I am incredibly proud to have the opportunity to shape their future and watch them grow.

I see this period of transition as an opportunity for us to work with another organisation that will support Willow Academy in continuing to move in the direction we are all working towards.

Yours Sincerely

Mrs D Sumner
