

## Willow Academy's Summer Fair

Dear Parents and Carers,

On Friday 14<sup>th</sup> July we will once again be holding our Summer Fair at school. This year we will be starting the event at 3.00pm and you are welcome to collect your child at 2.55pm, prior to the event. If you are unable to collect your child at this time then we will make suitable arrangements for them until the end of the school day.

Admission is 50p for adults and 20p for children who do not attend Willow Academy. There will be two entrances to the fair – either the KSI entrance or through the main doors.

This year there will be our regular range of stalls, games and activities for everyone to enjoy. As ever, refreshments and cakes will also be on sale. For the first time, we will be selling items that the children have made in class and we encourage all visitors to admire the wealth of skills that flourish within our school.

Each year group has taken on an 'enterprise project' to support our fundraising. They have all picked a project and are currently resourcing their chosen venture. Once they have created their final product, it will be up to each class to decide the price that they wish to sell their items at during the fair. When producing the pieces children will be able to put a 'reserved' sticker on to their specific item so that they have the first opportunity to purchase their own creation. This item will then be held for them until 4.00pm on the day of the fair, before it is open to other buyers. Each year group will make additional pieces that shall be open for sale to anyone. The children in the year group that makes the biggest profit will all receive a small prize for their efforts as well as our 'Enterprise Project' award.
